

HOLLYVIEW

Expansion

Phase 2 of 4 Summary

HOLLYVIEW EXPANSION

Phases

Phase 1 Possibilities (started 2022 - completed Jan 2023)

Phase 2 Preliminary Design and County Approval (2024/25)

Phase 3 Detail Design and Fundraising (TBD)

Phase 4 Permitting and Construction (TBD)

Why? Because God moves and we shall respond in faith! This is about taking steps now, for the next generation of Christ followers. However, it does not mean we forge ahead on our own. May Jesus lead as we walk together at the speed of discipleship.

So where are we right now? We have sought the guidance of the Holy Spirit in our thoughts and plans. We have laid out a dream and determined what is possible.

We feel as a body of believers we are directed to make weekly gatherings a priority (Hebrews 10:24-25). These gatherings are meant to preach God's word and exclaim our worship of Jesus. This sets us on a path for a new sanctuary. Reflecting on what is reasonable for our property and location, we have designed a building that would double our capacity.

Next, we have further discussion as a congregations before entering phase 3.
